About Our Program

UCCEFUL ONLINE LEARNER QUIZ

Program

Application, induction and orientation process including needs assessment and individual program planning to assure student success.

Students are required to attend two three-hour face-to-face sessions weekly. During these sessions students receive individualized instruction in areas of need.

Opportunity for students to receive additional help both online and face-to-face with staff.

Development of a learning community with the opportunity to join clubs, participate in activities and perform community service.

Student Profile

High School students are motivated to complete tasks and have stamina and perseverance for self-paced learning.

Reading level above 6th grade.

Seeking an online alternative to the traditional high school environment.

Need and/or desire to complete classroom work both at home and in a lab setting.

Students seeking skills to successfully earn a GED.

Students Served

300 students who desire to take the majority of their high school classes in an online environment while receiving supplemental one-on-one and small group face-to-face instruction.

Curriculum

Content area online courses provided By Education-2020 (E-2020) following Colorado Department of Education standards and aligned to APS curriculum and pacing guides.

Find out if you have the five qualities of successful distance learners....

1. I work better independently, have confidence and can take responsibility to accomplish my coursework without ongoing face-to-face Interaction and direction by my teachers. **TRUE FALSE**
2. I am a student that knows how to prioritize my assignments, rarely procrastinates, and works at a steady pace until assignments are completed in time to meet the required due dates. **TRUE FALSE**
3. I have good reading comprehension skills and don't require the assistance of supporting video/audio backup and/or teacher guidance to understand material. **TRUE FALSE**
4. I realize the time and effort it takes to be a successful student, to master my courses and am able to resist distractions (i.e. phones ringing, TVs, the need to occasionally decline an invitation, etc.) that can prevent me from accomplishing my goals. **TRUE FALSE**
5. I am comfortable with my current social situation and have enough outside activities/ support of friends and family that I won't miss participating in traditional school extra-curricular activities. **TRUE FALSE**

IF YOU CAN ANSWER TRUE TO ALL OF THE QUESTIONS YOU MAY HAVE WHAT IT TAKES TO BE AN APS ONLINE STUDENT!
